

Simran Makan

RESUME

simranmakan.off@email.com

About Me

Detail-oriented Bachelor of Computer Applications student specializing in web development, AI/ML, and data science. Skilled in building dynamic web applications and analyzing data to extract meaningful insights. Passionate about combining development and data-driven technologies to create efficient, scalable, and intelligent solutions.

Technical Skills

Programming :

Python, Java, SQL, C (basics)

Web:

HTML, CSS, JS

Tools :

Power BI, Excel, Canva, Vn, Inshot, Photoshop(basics)

Concepts :

DBMS, OS(basics), DSA(basics), Data Science & ML

Ethical hacking and Cyber Security (basics)

Soft Skills

Management

Communication

Leadership

Teamwork

Problem Solving

Critical Thinking

Creativity
